

Make Sense Of Your Money

Wealth Access provides clarity. Your complex financial picture becomes simpler to view and understand. Making informed decisions becomes easier. With Wealth Access it all makes sense.

It All Makes Sense

Smart

- Everything is in one place. We offer a holistic view of an individual's wealth.
- Focus less on compiling information, and more on managing wealth.
- Collaborate with trusted advisors to make smarter decisions.

Simple

- Our comprehensive view is simple - written in plain English and easy to understand.
- All account activity is available on a daily basis. No need to wade through monthly or quarterly statements.
- Clear understanding of a complex financial picture is easier.

Sharable

- You control access to information.
- You can share with multiple advisors, leading to informed conversations and true collaboration.
- Our secure document vault makes it safe and easy to store important documents and offer them to those who need access.

Technology You'll Love

Total Balance Sheet

See everything where it all makes sense. Add your credit cards, bank accounts, real estate, mortgage, and more so you can get a complete financial picture.

Mobile App

With a mobile app and responsive web site, you can access your money and see updated information anywhere you are, with an experience tailored to your device.

Dedicated Service

If you need help setting up an account or troubleshooting a login, you can always reach a dedicated support team member to make sure your Balance Sheet is set up and accurate.
